Inspiring new videos from apprenticesearch.com!

Five employers and five apprentices speak openly and honestly about work in the skilled trades in Ontario, and reflect on their diverse pathways into the skilled trades as an apprentice or journeyperson. All five video segments provide great workplace footage, as well as short, articulate testimonials from employers and jobseekers in construction, service, motive power and industrial/manufacturing sectors who have successfully used the services provided by apprenticesearch.com.

Not enough apprentices being trained - City short 1,000 skilled tradespeople

"There's nothing wrong with coming home at the end of the day with your hands dirty if you've made a good buck," he said. "There's a stigma if you come home with your hands dirty at the end of the day, you're a nobody in this world. That's not the case."
